

## IGNITE! PROGRAM – Grades 3, 4 and 5

### OAK HILLS ELEMENTARY RECOMMENDED SUPPLY LIST 2021-22

The following is a complete list of supplies SUGGESTED specifically for the IGNITE! Program. Local merchants support our programs and appreciate your business. If a calculator is suggested, and the student does not purchase one, the school will provide one for the student's classroom use.

**PLEASE, NO TRAPPER KEEPERS, NO PENCIL BOXES AND NO BACKPACKS WITH WHEELS.**

Students in grades 2, 3, 4 and 5 (including the IGNITE! Program) will be using assignment notebooks. These assignment notebooks will be provided by the Oak Hills PTO, and will be distributed to students at the start of the school year.

#### **Physical Education – IGNITE! Grade 3, 4 & 5**

Due to the nature of physical education activities, it is important to have a pair of tennis shoes with good soles for traction and laces for support. **NO** black soled shoes that leave marks on the gym floor.

#### **IGNITE! Grades 3-5**

**Please label all backpacks and personal items with your child's name.**

The Ignite! Program uses a special binder to help students develop academic organizational skills. The materials for the binder are very specific. To implement program-wide each student needs to use the same format. We would like to purchase the binder, tabbed folders, pencil pouch and reinforced paper in bulk to save families money. We are requesting that each new family pay \$20 to cover these costs. This system is used for multiple years so there is a potential not to have to replace the binder each year. The binder is also a good organizational tool for students in middle school. Payment will be collected at the start of the school year.

**New Families** – Please bring cash or a check made out for \$20.00 to ISD 194 with Ignite! binder in the memo field.

**Returning Families** – Students can use binder from last year or can order any of the individual binder parts as needed. Watch for an email order form. Binder supplies will be available at the start of the school year.
