## MINNESOTA BUSINESS VENTURE

Minnesota Business Venture (MBV) is back in-person and back on-campus at area colleges! Students work together in teams, hear from inspiring speakers, gain leadership experience, and explore career paths. Students choose one week of the two, and stay overnight in the dorms on campus at either location/week of choice:

- July 10-15 at the University of St. Thomas, St. Paul
- July 24-29 at St. John's University, Collegeville

This [Frequently Asked Questions](#) document may answer questions about the Minnesota Business Venture opportunity that students may have. Otherwise, take a look at this [3-minute in-person camp video](#) for more details, too. If interested in attending one of the events, [student registration can be completed online here](#). There is a reduced registration fee for students who qualify for free/reduced lunch. We are asking for students to be vaccinated to be eligible to attend this summer due to COVID protocols. See Mrs. Myers in B103 if you have questions.
